*******INTEGRA FOUNDATION DONATES \$15,000 FOR TSUNAMI RELIEF*******

The *Integra Foundation*, the philanthropic arm of Integra LifeSciences Corporation, has awarded a \$15,000 grant to Doctors without Borders/Médecins sans Frontière (MSF) for use in its Emergency Relief Fund. The Emergency Relief fund enables MSF to quickly respond to the current disaster in South Asia as well as humanitarian needs in war-torn Darfur, Sudan, and elsewhere in the over 70 countries where MSF is working around the world. The Emergency Relief Fund provides a resource for MSF to draw upon immediately when a crisis occurs, allowing a quick response to events where the speed of their response is crucial to saving lives. Individual contributions toward the relief efforts may be directed to the Doctors without Borders web site: <http://www.doctorswithoutborders.org>

Integra Foundation's thoughts and prayers go out to all those who were affected by the Tsunami.

The *Integra Foundation* is dedicated to advancing innovative medical and healthcare research and education, primarily in the areas of neurosurgery, reconstructive and general surgery, that lead to improved outcome and quality of life for patients and their communities. It is funded by Integra LifeSciences Corporation, a world leader in developing and marketing high quality surgical instruments, as well as innovative devices and bio-products, for use in neurosurgery, reconstructive and general surgery and soft tissue repair.
